IDFL Laboratory and Institute Inc
United States
Hall 5.1

Sustainable products/ services = yes
<https://idfl.com/>

IDFL is an accredited auditing and certifying body for major textile standards including GOTS, GRS, OCS, RDS, DOWNPASS, RCS, RWS, IDS, and J-TAS.

The testing laboratories can test every aspect of filled textiles from natural and synthetic filling materials to finished products.

Shanghai Tiqiao Textile Yarn Dyeing Co Ltd
China
Hall 5.1

Sustainable products/ services = yes
www.tiqiao.com

Shanghai Tiqiao is a knitting printing and dyeing manufacturer. The company mainly produces various short fibre, long fibre, coloured yarn, high-end singed and mercerised yarn, various striped and embroidered knitted fabrics, single and double singed knitted fabrics, sports and outdoor functional fabrics, and automotive interior fabrics.

The fabric DSM090031 is made from high-quality 100S cotton fibres and undergoes two mercerising processes, one at the stage of yarn and the other after weaving. This not only enhances the fabric's vibrancy but also makes it smoother and wrinkle-resistant.
