Jules Tournier

Jules Tournier

France

Hall 5.1

Wool

www.jules-tournier.com

Jules Tournier is a family business since 1865. With 155 years of experience, we manufacture textiles for luxury ready-to-wear and haute couture.

Our timeless fabrics are made of noble materials and produced with our historical expertise—a pledge of impeccable quality.

As well as perpetuating the inherited technical French knowledge of weaving, our collections of fancy tweeds reflect the fashion world in their creativity and extravagance! These exclusive tweeds are made from fancy yarns with exuberant relief and luster for strong visual effects.

We work closely with our Partner for finishing and dyeing, to develop unique colors following the trends and specific projects.

Vitale Barberis Canonico SpA

Italy

Hall 5.1-J59

Wool

www.vitalebarberiscanonico.cn

From 360 years ago to today, in the historic factory of Pratrivero, in the heart of the Piedmont region, Vitale Barberis Canonico has been producing high-quality fabrics for clothing.

The company has more than 450 employees, 40 agents worldwide and 2 factories in the Biella area that are at the forefront of both technical and management methods. Vitale Barberis Canonico is the world leader in Italian-made fabrics, not only in terms of value but also in terms of quantity, and is a major exporter worldwide.

Heritage, innovation and sustainability are the keywords of the company's philosophy.

In October 2013, the company became a member of Les Hénokiens, an international club exclusively for family businesses with at least two hundred years of history.
