

International Pavilion *Exhibitor Highlights*

Core Design Company **Hong Kong Pavilion | Hall 5.1-A77**

Specialising in distinctive, brand-driven textiles, the company presents ribbon-woven tweeds that effortlessly create an elegant, high-end look in simple silhouettes, alongside 3D embroidered denim that balances strength and softness for versatile, multi-generational designs.

De-Fa International Industrial Co Ltd (APEX Textile) **Taiwan Pavilion | Hall 5.1-C34**

APEX Textile is a trusted global partner offering vertically integrated, sustainable fabric manufacturing for outerwear, activewear, and athleisure. Its latest eco-performance fabrics highlight strong R&D capabilities and agile production for customised developments.

Malaysian Handicraft Development Corporation **Malaysia Pavilion | Hall 5.1-C98/D105**

An agency under Malaysia's Ministry of Tourism, Arts and Culture, the organisation promotes the country's craft industry, showcasing handmade batik textile products that reflect Malaysia's cultural identity and artisanal heritage.

Shibaya Co Ltd **Japan Pavilion | Hall 5.1-C72**

With 117 years of Japanese textile expertise, Shibaya Co Ltd offers over 1,800 high-quality fabrics, ranging from natural fibres to certified eco-friendly materials. The company also supports flexible sourcing with low minimum orders, catering to emerging brands and designers.

Toska-Banok Co Ltd
Japan Pavilion | Hall 5.1-E97

A pioneer in tagging innovations, Toska-Banok Co Ltd continues to shape the industry through advanced solutions. The company combines Japanese design expertise with global manufacturing efficiency to deliver high-quality, market-ready products.

Wu Fang Fiber Co Ltd
Taiwan Pavilion | Hall 5.1-D38

A leading supplier of woven fabrics, offering a wide range from functional-casual materials to wool, cotton, and linen-like textures. With full customisation capabilities, the company develops fabrics tailored to specific performance, weight, and hand feel requirements.
